Dependents must be enrolled with the Fund Office before their benefits can begin. Dependent documentation is required, as described below. Please provide the documents with your request to enroll your Dependent. If the required documentation for your Dependents is not provided to the Trust within 90 days of your Dependent’s enrollment, your Dependent’s coverage will be terminated to the end of the current month, and you may be responsible for any claims paid by the Trust on your Dependent’s behalf. If you submit the required documentation to the Trust within 30 days after your Dependent’s coverage has been terminated, your Dependent will be re-enrolled retroactive up to 60 days from the date the Trust received the required documentation.
