

March 30, 2023

LAST AND FINAL NOTICE

**COVERAGE WILL BE TERMINATED IF DOCUMENTS ARE NOT RECEIVED
BY APRIL 30TH**

**TO: All Active and COBRA Eligible Participants
Essential Worker Healthcare Trust**

RE: Dependent Eligibility and Verification Audit - Final Request

As you were previously notified, under the Trust rules, only a person who meets the Plan's definition of an eligible dependent is eligible to receive benefits from the Trust. As part of the enrollment process for your dependents, you must complete the enclosed form and return it with supporting documentation as proof of their eligibility immediately.

You are receiving this notice because the Administration Office and Local 503 have made several unsuccessful attempts to verify your dependent information.

You immediately must return a complete Information Verification Form and supporting documentation for your dependents to the Administration Office.

Please be advised that if the Trust does not receive the requested documentation by **April 30, 2023**, your dependent will be ineligible for Trust benefits retroactive to the date of enrollment.

Furthermore, the Trust will treat the failure to provide the requested documentation as confirmation that the individuals that were previously listed as your dependents were not dependents and it will seek to recover any benefits provided on behalf of those individuals.

**Board of Trustees
Essential Worker Healthcare Trust**
